Listen and repeat.

The Months

Thirty days in September,

April, June and November,

The rest have thirty-one,

But February has only twenty-eight

And twenty-nine in a leap year.

Complete the table.

2021 Calendar

January	February	March	April
May	**June**	**July**	**August**
September	**October**	**November**	**December**

How many days are there in April? .....

How many days are there in December? .....

How many days are there in June? .....

How many days are there in October? .....

How many months are there in a year? .....
