Lessons 8–9 **The future**

Use of English

1 **Write out the sentences using the *will* future passive form of the verbs in brackets.**

1 Cars *won't be driven* by people; they _____ by computers. (not drive, control)
2 Text messaging _____ by voice-to-text technology. (replace)
3 All houses _____ by solar power. (heat)
4 There will be no shops or shopping centres. All shopping _____ online. (do)
5 Films _____ at cinemas. They _____ and _____ at home. (not show, download, watch)

Language tip

There are active and passive forms for all verb tenses.

The active tells us who does what. The passive tells us what is done.
