4 The match is at 2.45. ___
5 Three coffees cost £7.75. ___
6 The new box from Japan costs £40. ___

READING COMPREHENSION

1. Read

Twins – the same … but different, too.

Twenty-year-old Jenny and Leonie Bosman have the same birthday, the same parents and the same blue eyes. They're twin sisters.

'Jenny works in an office and I think her work is important to her, but I don't have a job,' says Leonie. 'I'm a student. I study about fifteen hours a week. The rest of the time I go out with my friends and listen to music. Jenny likes music, too, but she doesn't go to parties or concerts. She plays the guitar at home.'

'These are Jenny's clothes – they're all black and white. Mine are blue and red. These are Jenny's running shoes. She goes running every evening with her boyfriend, Perry. He's a football player. I don't like sport at all.'

Jenny says, 'Leonie's a student but she doesn't study much. In the evening she sits at her computer, but she doesn't do any work.'

Read the article. Choose *True* (T) or *False* (F).

1 Jenny has blue eyes but Leonie has green eyes. **T / *F***
2 Leonie thinks Jenny likes her job. **T / F**
3 Leonie studies fifty hours a week. **T / F**
4 Jenny goes to parties with her friends. **T / F**
5 Leonie's sister likes running. **T / F**
