HOMEWORK #7

1. Read again the text.

Celebrating is fun. However, we don't always have the budget to buy what we need. Some people don't care about how much they spend on food and presents. Others don't care about how many people they invite. At a birthday party, we need snacks, soda, and sometimes we even serve a complete meal. At Christmas celebrations, many people make turkey, rice and salad, and in addition, they buy presents for everybody. No matter what we celebrate, we must be careful not to spend too much money.
