STONEHENGE

Read the text and write in the correct word for each gap.

Stonehenge was one (1)_____ my favorite places on our tour of England last year. It's near the city of Salisbury. It's a ring of huge standing stones about 4 meters high. Experts think it (2) _____, built in three stages between 3,000 and 1,500 years ago.

Building something like that must (3) _____ been really important at the time but nobody knows for sure why they did it. Archaeologists have found evidence of human bone from (4) _____ far back as 3,000 years ago so it's possible it was a place where people were buried. Some people think that it could be a kind of calendar because of the location of the stones when (5) _____ sun rises. People have even suggested it was a landing site for visitors from outer space!

(6)_____ the reason was for building it. I loved visiting it!
