LISTENING

1. Listen to the conversation about future travel. Then write *true* or *false*. T / F

1 Lydia thinks that people won't travel much by plane in the future.

2 One trip to New York doesn't create a lot of pollution.

3 Lydia thinks a plane journey is worse than a car journey.

4 Sam thinks there won't be cleaner planes.

5 Sam thinks people will still travel a lot.

6 There are two billion cars now.

7 There will be a billion more cars by 2030.

8 Sam doesn't want to walk home.

2 Who's more negative about the future?

1. Listen. Then choose the best description of the text.

a radio interview

a conversation between two friends

a history programme

2 Choose the correct answers.

1 Where is Greta going to cycle?

from Scotland to the north of England

around the coast of Britain

from the north to the south of Britain

2 How long are they going to ride?

until next Wednesday for three weeks between three and six weeks

3 Why does Greta want to raise money?

for a new cycle track for new bicycles for a new cycle club

4 Greta wants to ... the Olympic cycling team.

watch be in train
