GERUNDS VS INFINTIVES AFTER VERBS

Part one: Choose the correct form of each verb in parentheses to fill the blank.

Alexis always believed that she could learn _____ (ride) a horse. She hoped _____ (start) taking lessons as soon as possible. So one day, she decided _____ (ask) her father for help. Unfortunately, he was too poor to pay for the lessons. But, he didn't want that situation to prevent her from following her dreams.

He advised _____ (work) at candy shop at the mall to earn enough money. She was resistant at first because she was very shy. She denied _____ (know) of any shops that were looking for salesclerks.

But, she eventually admitted _____ (be) a salesclerk was the quickest way to find the money. So, she agreed _____ (follow) the plan.

After one month of working at the shop, she gathered her saved money and bought the classes. In the end, she was grateful that her father suggested _____ (sell) the candy.

Part two: Drag each verb and drop it in the correct blank.
