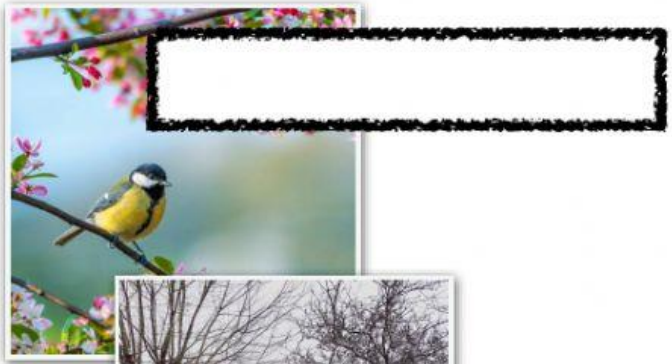
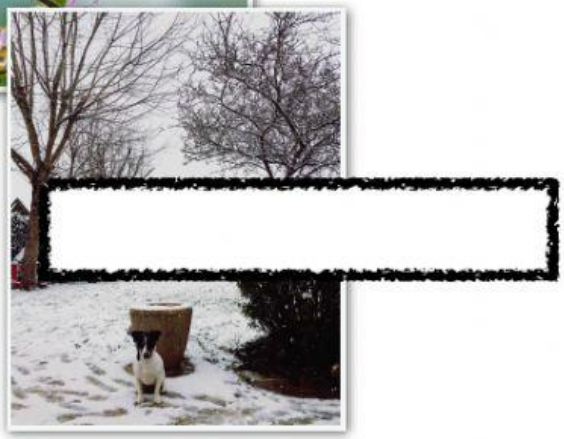
# What's the weather like outside?
# How's the weather today?

1 - How many seasons are there in your region? Are there the four well marked seasons? Winter, spring, summer and fall (autumn)? Or are you in a region where only two season are common, the dry and the rainy or flooded seasons? Look at the pictures and name the seasons.

winter - spring - summer - fall (autumn) - dry season - rainy season

- **In the Brazilian Amazon region**




- **In some other parts of Brazil and the world**
