	Relative clauses famous women - pick a card – famous women - guess who is that – search on internet - prepare short 1 minute presentation about her using as many relative clauses as possible then in pairs exchange information and count how many relative clauses were used.
5	**Longest sentence** - students are given a sentence – they have to make it as long as possible by adding non-defining relative clause (count the words, ask students with highest scores to read it)
	Non defining rel. clauses about us - students get strips of paper - each student writes their name and fold it so the name doesn't show – they give it to me, we mix the sheets together and they pick one
5	Extra activity: Relative clauses - give students cards with things/people/places/... from our everyday lives - they have to describe the items to a woman from 19th century using relative clauses - in pairs they take turns, guess
