Baby, I'm preying on you tonight

Hunt you down, ...you alive

Just like animals

Maybe you .....that you can hide

I can .....your scent for miles

So what you trying to do to me

It's like we can't ....., we're enemies

But we get along when I'm inside you, eh

You're like a ..... that's killing me

I cut you out entirely

But I ..... so high when I'm inside you

Yeah, you can start over you can run free

You can find other ..... in the sea

You can pretend it's meant to be

But you can't stay ..... from me

I can still ..... you making that sound

Taking me down rolling on the ground

You can ..... that it was me

So if I run it's not enough

You're still in my head ..... stuck

So you can do what you wanna do, eh

I ..... your lies I'll eat 'em up

But don't deny the .....

That comes alive when I'm inside you
