I Think I Love You

We're talking
Bwaa (x13)

I _____
And right in the middle of a good dream
Like all at once I _____
From something that keeps knocking at my _____
Before I go insane I hold my _____ to my head
And spring up in my bed
_____ out the words I dread
I think I love you! (I think I love you)

This morning
I _____ with this feeling
Didn't know just how to deal with
And so I just decided to myself (yes)
I'd _____
And never talk about it
And didn't I go and shout it
When _____ into the room
I think I love you! (I think I love you)

I think I love you
So what am I so _____
I'm afraid that I'm not sure of
A love there is no cure for

I think I love you
Isn't that what life is made of?
Though it worries me to say
I've _____ this way

I have to tell you something I've been thinking for a long time
But didn't have the courage to say
I think I love you
You know what, scratch that

I do love you
But I'm gonna say I think I love you
Because I don't even know if this is love
'Cause I've never felt this feeling before
Baby, baby, baby, baby, baby, please, I'm going _____

I don't know what I'm up against
I don't know what it's all about
I've got so much to think about
Hey!

I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no _____

I'm going crazy

I think I love you
Isn't that what life is _____
Though it worries me to say
I've never felt this way

Believe me
You really don't have to _____
I only want to make you happy
And if you say "Hey, _____" , I will
But I think better still
I better stay around and love you
Do you think I have a case?
Let me ask you to _____

Do you think you love _____
I think I love you!
Yeah, I think I love you!
Oh, I think I love you! (repeat)

was sleeping
Screaming
wake up
woke up
made of?
cure for
go away
me?
pillow
brain
insane
hide
worry
you walked
afraid of?
never felt
your face
