Inference Riddles 2

1) I have a thumb and four fingers, but I'm not alive. You use me during tough work or perhaps to catch a baseball.

Text Evidence	Schema	Inference

2) I have all the knowledge you have, but I'm as tiny as your fists. I rest when you rest. You grow me every time you learn and use me every time you think.

Text Evidence	Schema	Inference

3) It has a single eye, but it cannot see. You may use it to fix a button or a rip in your pants. Careful, it can be super sharp!

Text Evidence	Schema	Inference

4) You can catch me, but you cannot throw me. Breathing in someone's sneeze can help you catch me. I love to travel from person to person!
