Colleges are **BROKEN**...

Yes, they are.

You may not want to accept it {{ FIRST_NAME }}.

But the truth is the truth.

We are experiencing all-time highs in unemployment rates.

Hunger.

Lack of passion.

People are getting desperate and need money.

Is that you?

You really think going to college and graduating (from almost any profession)

Will prevent you from being cut from 40 to 25 hrs a week whenever your employer wants

While paying *$123,859* in student loan for the rest of your life?

I don't want that for you.

You don't gotta go through that, {{ FIRST_NAME }}.

That is why I created Educate.

For someone like YOU.

If you still don't know what Educate is, I have this **video** that will tell you **ALL** about it.

We are helping thousands of students learn ACTUAL valuable skills like:

Copywriting, High-ticket selling, Dropshipping.

They are becoming professionals without getting in debt.

Learning skills that can take you to make multiple 7-figures.

LIVEWORKSHEETS

And you can be one of those lucky people.

For the price that a single textbook in college would cost you (up to $1,378).

{{FIRST_NAME}}, you can even save money for two months

And **buy your way out** of the traditional money draining educational system.

But I want to make it easier for you, though.

What if I tell you we have a special offer for you we have NEVER given before...

GET THIS OFFER NOW and show the world how YOU can make it happen

In a non-traditional way and DEBT-FREE.

See you in there,

Iman,

You may be working
