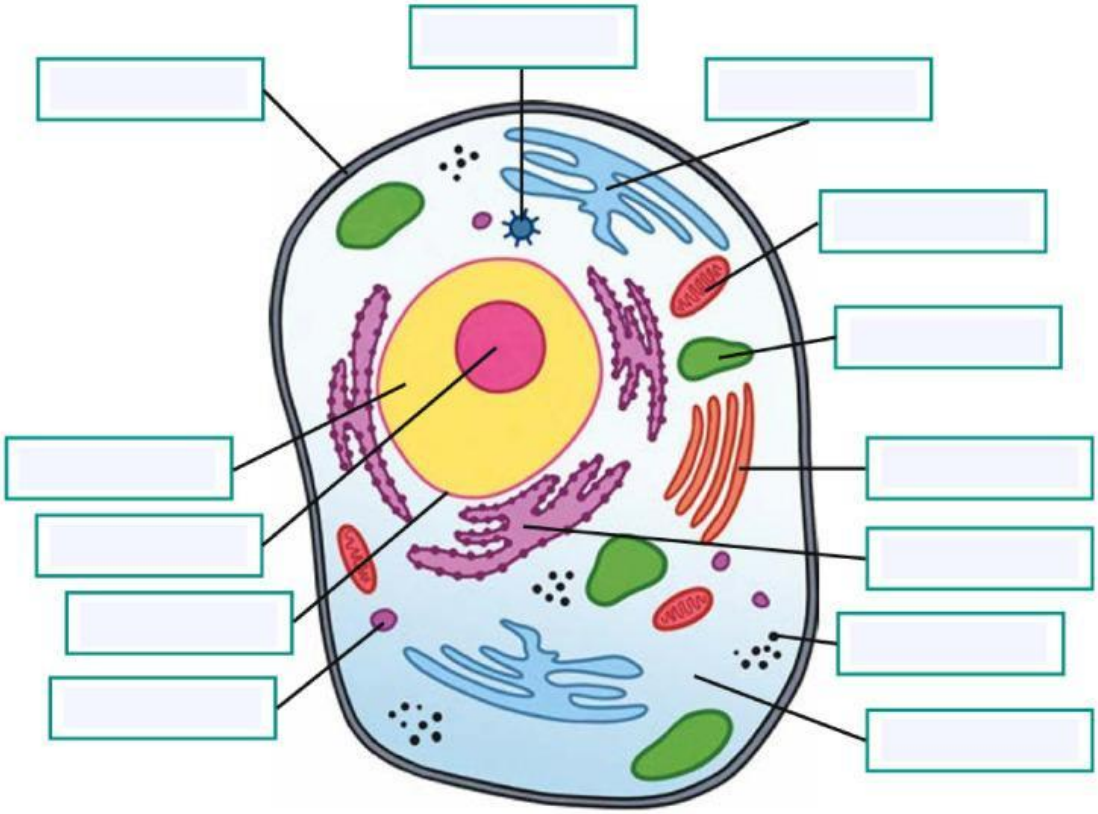
Name:_____ No.___ M.1/1

Label the parts of an Animal and Plant Cell.

Choose the answers below:

cell membrane - mitochondrion - centrosome - nucleus - golgi apparatus - nucleolus - lysome - cytoplasm - nuclear membrane - smooth endoplasmic reticulum - rough endoplasmic reticulum - vacuole - ribosomes

Animal Cell Labeling



Choose the answers below:

chloroplast - vacuole - plasma membrane - ribosomes - nucleus - mitochondrion - cell wall - nucleolus - nuclear membrane - golgi apparatus - cytoplasm - cytoskeleton - small membranous vesicles - rough endoplasmic reticulum - smooth endoplasmic reticulum
