Lyrics:

Wake up, you're daydreaming

Are you fine tonight

With this _____ (lewho) feeling

I'm out of _____ (hgtis), I'm out of mind

Would you help me out when you are around?

_____ (ssrtsele)

_____ (dnbtoaruou)

Feeling _____ (ssgleel)

Got you lost and found

Stop _____ (gnmniig) around

Let me figure it out

How to bring you no _____ (ubtod)

To the places you want

1, 2, 3, 4, 5 counting down right now

I don't wanna lie down tonight

Now wake up, now wake up,

Okay now

(paraparapa)

Right now I'm lying on the doormat

Telling to myself, "What a _____ (naciim)

Why you gotta roll on the floor with your _____ (ckrusakc)?"

Goddamn, you're so _____ (aniscmie)

LIVEWORKSHEETS

Lie down, I'm done

Fucked up so hard

Who's up? No one

Someone won't help me out

I'm drunk and loud

Not feeling sober but I- but I- I-

1, 2, 3, 4, 5 counting down right now

I don't wanna lie down

Should I run and touchdown?

Should I try and find out?

Should I say it out loud?

Man, I don't know somehow, yeah

1, 2, 3, 4, 5 counting down right now

I don't wanna lie down tonight

Now wake up, now wake up, (okay now)

Okay now

(paraparapa, oh~ paraparapa)

(paraparapa, oh~ paraparapa)

Now wake up, now wake up, now wake up
