Crocodiles and lizards are a kind of animal called a reptile. Lizards have got (1) *small / smaller* teeth and (2) *short / shorter* tails than crocodiles. Crocodiles are (3) *big / bigger* animals, but they are really good at running and swimming. They are (4) *strong / stronger* than lizards. They both live in (5) *hot / hotter* places, but they eat different things. Lizards eat flies and crocodiles like eating fish and meat. I think lizards are (6) *beautiful / more beautiful* than crocodiles because they have many colours and big eyes. I am not (7) *frightened / more frightened* of them. Some lizards are pets.
