

WRITING

MY FAVOURITE DAY

Saturday is my favourite day of the week. In the morning I always get up late, at 10:30. I usually have a big breakfast with my brother and then I surf the Internet or draw pictures in my computer. I love doing that and it's easy.

In the afternoon I always go rock climbing. That's two hours of fun! It's a difficult sport, but I'm very good at it and I always. Someday I want to climb K2. My brother hates rock climbing. He's afraid of heights!

In the evening I am usually very tired but I always go out with my friends. We often go to the cinema. We are all horror film fans. We also enjoy eating hamburgers in a burger shop near my house. We usually have a great time there.

Now write about your best friend.
