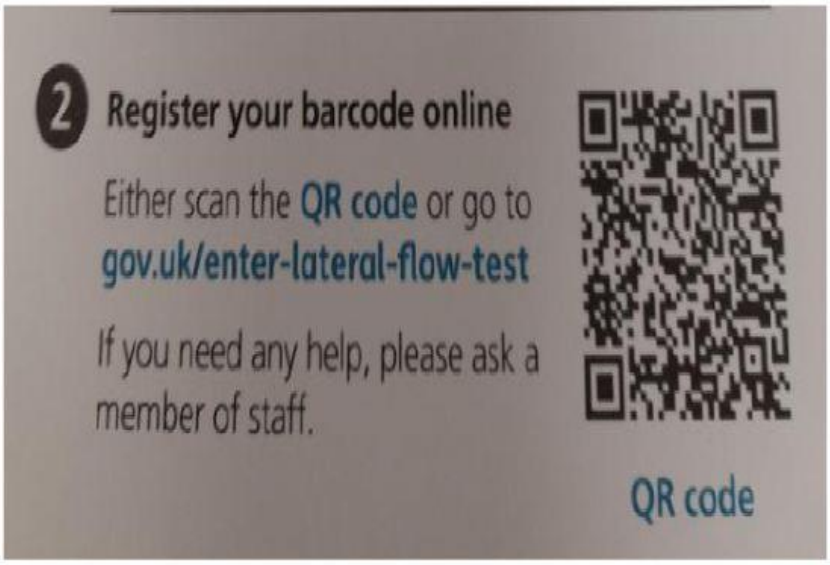
How to Register for a Covid-19 Test – Students

Before you start, please write your name on the registration card.



Step 1: Take a registration form and scan the QR Code on the registration form. If you can't scan then please follow link on registration page

Register a coronavirus test

Use this service to register a coronavirus test for you or someone else.

You need to register each coronavirus test to get the results.

To complete this form, you'll need:

- the test kit barcode for the test you're registering
- a mobile number (for you or the person you're registering it for)
- the Royal Mail barcode on the return box (only if you're registering a home test kit)

If you're taking a test before your hospital visit, you need to register your kit here.

Start now >

Step 2: Start to register for a coronavirus test. Click Start Now.

< Back

Enter the unique test kit barcode

If you have a home test kit, use the camera on your phone or computer to scan one of the identical barcodes on the plastic tube, plastic bag and return box.

Or you can manually enter the 11 character reference below the barcode.

If you're using a home test kit, you'll find the identical barcodes inside the home test kit, either attached to the plastic vial, biohazard bag and return box or loose for you to stick on yourself (please read instructions).

These are different from your pre-paid Royal Mail return package barcode on your box.

► What does the barcode look like?

Scan barcode

Test kit barcode reference

Confirm test kit barcode reference

Continue

Step 5: You can either scan the barcode on your registration form by clicking on the 'scan barcode' button or you can enter it manually.

What's the test site's ID?

The test site ID will be either 3 or 4 characters.

If you're isolating after international travel, the test site is your government isolation hotel.

If you're still at the site and cannot find the test site ID, ask a member of staff.

If you're registering after leaving the site, staff should have told you to take a photo or write down the test site ID.

Test site ID

For example, THGR or LMHL

WFCU

I do not know the test site ID

Continue

Step 6: Once you enter the barcode, the site ID is WFCU

Do you currently have coronavirus symptoms?

This will help us track and trace the spread of coronavirus.

The main symptoms of coronavirus are:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

Most people with coronavirus have at least one of these symptoms.

- ( ) Yes, I currently have at least one of these symptoms
- (•) No, I currently do not have any of these symptoms

Continue

Step 13: Select the appropriate answer. If you have any symptoms, please tell your tutor immediately.

Do you know your NHS number?

This helps us find and update your GP record with your test result.

An NHS number is 10 digits. It will be on any prescriptions or letters from a GP or hospital.

How to find an NHS number

In Scotland, it's known as a CHI number. In Northern Ireland, it's known as an H&C number.

If you do not have it, you can still continue.

- Yes, I do
- No, I do not

Continue

Step 17: Select the appropriate answer

Mobile
+447972149355

Change

Landline number
I do not have a landline number

Change

NHS number known
No

Change

Had coronavirus vaccine
No

Change

Travelled overseas
