ABOUT ME

Hello, my name is Emiliano Martinez but everyone calls me "Dibu". I'm an Argentinian professional footballer and I play as a goalkeeper for Premier League Club Aston Villa and the Argentina national team.

I have got two children. My son is called Santiago and my daughter is called Ava. Amanda is my wife. We live in London. We have got a dog pet. We are a happy family. I have got a brother. His name is Alejandro. My parents are Susana and Alejandro. They live in Argentina.

Every day I get up early in the morning and I have breakfast with my family: a cup of coffee, some toast with jam and cheese and a bowl of fresh fruit. Then I get dressed and I drive to the club where I start training till midday. I have lunch at the club canteen and then I do different activities. I do yoga and Pilates three times a week. I also attend physiotherapy sessions and I have therapy once a week.

After that I drive home, I have a shower and I relax. I like having mates with my wife and playing games with my children. We usually have dinner at about eight o'clock. Then we watch T.V. or make video calls with our relatives in Argentina. I always go to bed early.

Today it's a holiday in London. I'm not training. I'm having a barbecue with some friends. My wife is making a chocolate cake and my children are playing outside. It's great fun.
