_____.

READING

4. Read the text *"Look around - It's Sphere!"* and answer the following questions underlining or circling the correct answer.

In Las Vegas, Nevada, USA, there's a new place to watch movies and live shows. It's called *Sphere*.

Sphere is a 111-meter-tall ball. The whole outside is one giant screen. The picture on the screen always changes. Sphere can look like a big eye. It can look like a tennis ball, or the Moon.

Inside Sphere, there is also a giant screen. It goes in front, around, and above you. It makes you feel like you're inside a movie. The seats move. You can feel wind blow. You can even smell things. And Sphere has thousands of speakers, so you can hear all around you.

In the movie *Postcard From Earth*, you feel like you're going around the world. The music band U2 played music at Sphere. Audiences saw many pictures on the screen during the concert. At Sphere, you can talk with robots named Aura. Aura gives directions and answers questions. There are five Auras.

Sphere's owners want to build more Spheres in other cities. Look around - Sphere is coming!

Text taken from Discoveries Magazine.

There are Spheres in different cities.

a) True
