Mean, Mode, Median and Range

There is always a question in Functional Skills Maths Assessments on Mean, Mode, Median and Range so it is important that you know and remember what each word means.

I like to use this small rhyme to help me remember.

Hey diddle diddle the **Median's** the middle,

You add and divide for the **Mean,**

The **Mode** is the one that appears the most,

And the **Range** is the bit in between. To learn about

Watch the video below to learn about Mean, Mode and Median. We will look at the range later, as that's the easy part.

After watching the video, my small rhyme will make more sense.

Now you understand, have a go at solving the questions on the next page
