Hi Sally,

A surprise birthday party would be great. Mum loves celebrating special occasions with family so we will invite our **immediate family** members. We can have Mum's favourite food including buttermilk grilled chicken sandwiches, watermelon salad and cornbread muffins. I will bake my delicious raspberry cheesecake for dessert. Dad can take Mum to Grandma's house while we get the food and decoration ready. So, it will **remain** a surprise.

Let me know what you think!

Hello Johan,

I know just the right activity to recommend, you movie **buff**! Since you enjoy science fiction action movies, I think you will enjoy watching *Underwater*. It is playing at Forever Cinema at the mall. We can have lunch and then watch the movie at 3 p.m. After that, we can go bowling at the mall, too. I will come to your house at noon and then we can take a **leisurely** bus ride to the mall. What do you think?

Bye!

Hi,

Oh, dear! I'm sorry to hear that. I hope he gets well soon! We should definitely go and visit him. How about tomorrow evening after our co-curricular activities? Alan and Ben are Roshan's best **mates**. So, we can ask them to join us. We can bring along some fruits like apples and grapes. Since he is a **bookworm**, we can bring along some books too, especially thrillers.

See you!
