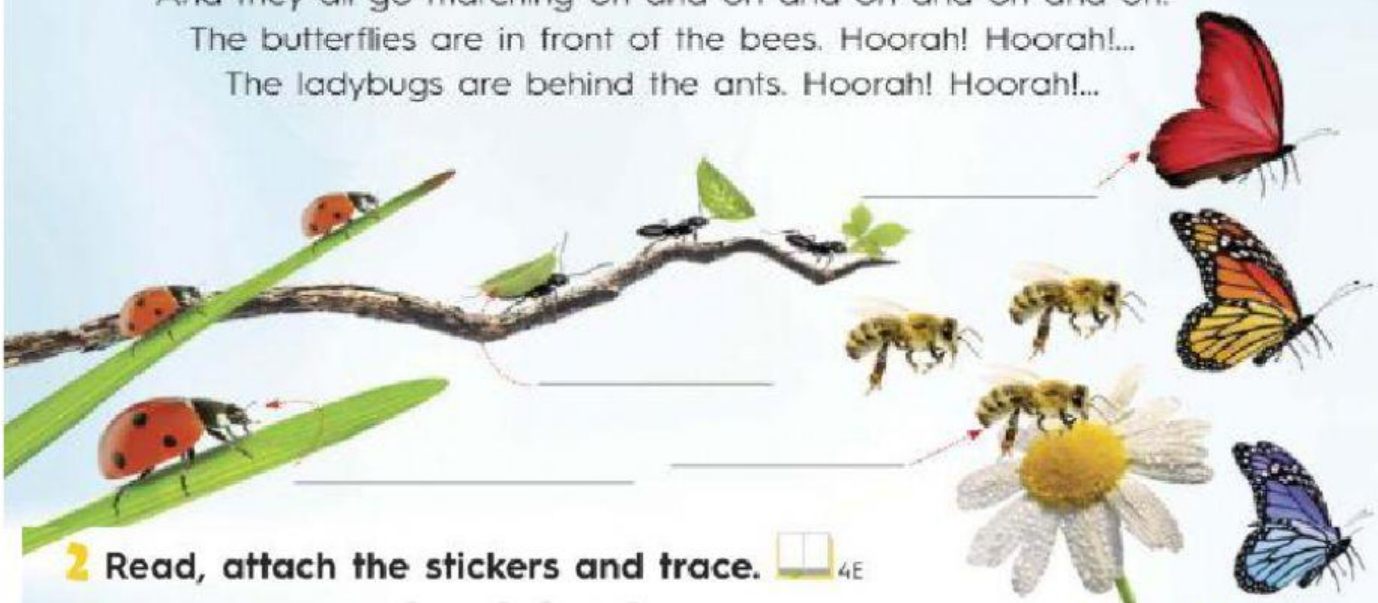
behind, in front of, between, next to

1 Listen and label the insects. 52

The Bugs Are Marching

The bugs are marching in the grass. Hoorah! Hoorah!
The bugs are marching in the grass. Hoorah! Hoorah!
The bugs are marching in the grass.
The bugs are marching in the grass.
And they all go marching on and on and on and on and on.
The butterflies are in front of the bees. Hoorah! Hoorah!...
The ladybugs are behind the ants. Hoorah! Hoorah!...



2 Read, attach the stickers and trace. 4E

1. The butterfly is behind the flower.
2. The bee is in front of the flower.
3. The snail is between the flowers.
4. The ant is next to the flower.

Rule of Thumb

The bee is in front of the flower.
