We Can Do Anything

We can cook and we _____dance

We _____ draw and take a chance

We can skateboard down the street

Running fast on our own feet

We _____ swim and play guitar

We _____ reach up for the stars

We _____ play football and win

Together we can do anything

[Chorus] We can we _____ yeah we can

Can't nobody tell us that we _____

We _____ we can yeah we can

_____ nobody stop us we're a band

We _____ speak Spanish so fine

We _____ sing make the world shine

We _____ ride bikes side by side In this moment let's all ride

We can laugh and we _____ scream Living out our wildest dreams

_____ nothing hold us back now We _____ do it anyhow

[Chorus] We can we can yeah we _____

_____ nobody tell us that we can't

We can we _____yeah we can

_____ nobody stop us we're a band
