Emily's Busy Weekend

Last Sunday, Emily went to the countryside with her family. They left early in the morning and arrived at their grandparents' house around noon. Emily helped her grandmother cook lunch, and after that, she played with her cousins in the garden. In the afternoon, they all went for a walk in the forest. Emily took many pictures of the beautiful trees and flowers. Later, they returned home and ate dinner together. Two days ago, Emily also visited her best friend, and they watched a movie in the evening. She had a great weekend and went to bed feeling happy.
