Dear Kitty,

We are having a great time in Iceland. We are staying in an ice hotel. The beds are ice, the chairs are ice, the tables are ice ... everything is ice!

It is very cold! It is snowing. Tom and I like the snow. We can make snowmen and throw snowballs. Dad and Tom are skiing in the snow now. Mum and I are having a rest. We are drinking hot chocolate.

I am taking lots of photos for you to see.

See you soon.

Love,
Mary
