Exercise 2 (Maze practice) -complete the text with the correct word.

If people from different backgrounds **1(share / shares / shared)** their customs, society would be more inclusive. If you **2(visit / visited / visits)** another country, you will likely experience new customs and traditions. Even if some people **3(don't understand /doesn't understand / didn't understand)** each other's traditions, they can still learn to respect them. If more people **4(had / has /have)** access to the internet, cultural knowledge would be more widespread. Even if technology **5(advances / advanced / advance)** rapidly,

people will continue to value their traditional customs. If everyone 6(**respected** / **respect** / **respects)** each other's beliefs, there would be more harmony in the world. If you **7(have / had /has)** the chance to use translation technology, it would be easier to communicate with people from different cultures. Even if digital communication **8(makes / made / make)** connecting easier, experiencing customs in person will always be valuable.
