1. Read and **write** the correct answer.

did didn't go didn't live didn't want finished got married
grew up joined passed walked

Rosa Parks

Rosa Parks was born in 1913 and she [1]_____ in Montgomery, a small town in the USA. There were two types of schools: one for white children and one for black children. There was only a school bus for the white children – the black children [2]_____ to school. Rosa felt angry when she saw white children go to school on a bus.

Rosa [3]_____ school at 16 because her grandmother and mother were ill. She got a job and then at 19 she met Raymond Parks. They [4]_____, but they didn't have children. Raymond worked, so Rosa started school again and [5]_____ her last test, but she [6]_____ to university. She started work in a new job.

On 1 December 1955, Rosa was on a bus in Montgomery. The seats at the front of the bus were for white people only. Rosa decided to sit at the front, and she [7]_____ to give her seat to a white man. The bus driver called the police. The police arrived and they took Rosa with them.

People heard the news quickly. Lots of people wanted the rules for the seats on their buses to change, and finally they [8]_____. The seats at the front and the back were now for black and white people, thanks to brave Rosa Parks.

2. Read and **choose** TRUE., FALSE or DOESN'T SAY .
