III. Match the human right with the correct symbol:

Article 11: Presumption of innocence

Article 2: Freedom from discrimination

Article 8 Access to justice

Article 3: Right to life

Article 18: Freedom of religion or belief

IV. Choose the correct option for each sentence:

1. The _____ means everyone has the right to life and to live in freedom and safety.
2. The _____ means you are considered innocent until it can be proved you are guilty according to law. If accused of a crime you have the right to a defense.
3. The _____ means everyone has the right to freely manifest their religion, to change it and to practice it alone or with others.
4. The _____ means everyone has the right to obtain legal help and access the justice system when your rights are not respected.
5. The _____ means everyone has rights regardless of sex, race, language, religion, social standing, etc.
