LIVEWORKSHEETS

F Read the blog posts. Then read the questions and circle the correct answers.

I remember a vacation with my parents. We were in Costa Rica and we were at a hotel near the beach. My sister Lily was there but I don't think that my brother Alex was with us. I can remember that it was in the summer and it was during the school vacation. I think it was in July or August. The beach was beautiful and it was a wonderful vacation. One day it was Lily's birthday and the party was on the beach. So… the vacation was in July, not August, because Lily's birthday is July 11th.

Elena

I remember our first house. My bedroom was next to my brother Won's. The bedroom walls were pink! There was a desk in the corner of my bedroom but there wasn't one in Won's. The desk was for both of us to do our homework. It was winter, and in the winter the house was very cold because it was an old house. Look, you can see Won in the photo. We were happy in the house.

Moon

I remember my first day at school. I was seven and it was a very special day. It was in fall and it was an exciting day for me. The school was new and my class was blue and yellow. My teacher was friendly on the first day. But on days we were all very noisy, she wasn't very friendly then!
