"Giants" by Dermot Kennedy

We used to be giants

When did we stop?

Just say the word and I'll be yours

You know I never _____

The hope and the hurt

Has lived inside of me

But there's gold in the dirt

I never _____ the time to see

But I knew of its worth

When you _____ beside of me

And my hand fit in yours

Like a bird would find the breeze

We _____ to be giants

When did we stop?

Just say the word and I'll be yours

You know I never forgot

We _____ the song in the silence

But time catches up

Just say the word and I'll be yours

You know I never forgot

I _____ from the start

You'd be the one to set me free

That day in the park

When the hurt would _____ from me

Those eyes used to know me, it's been way too long

You are the moon and the stars, and all they gaze upon

Time won't ever _____ slowly, what you waiting on?

What you waiting on?

We used to be giants

When did we stop?

Say the word and I'll be yours

You know I never forgot

We were the song in the silence

But time _____ up

Just say the word and I'll be yours

You know I never forgot

Darling

Just say you will

Will you _____ those times?

That I have _____ until

Tonight

If you say you will

I'll _____ it all behind

Don't you remember those times?

We used to be giants

...

Oh, I still love you, though

I still love you, though
