I. Read the following passage and mark the letter A, B, C, or D to indicate the correct answer to each of the following questions.

My blood pressure got higher and the doctor said I needed medication. But I didn't want the medication so I tried to take more exercise. So, I chose to take up playing tennis. I'm quite good at hitting a ball or catching a ball so that wasn't any problem. I went to a local tennis club and joined **them**. I met lots of people there, and I soon found some friends to play with. I usually bring my own rackets and balls. After the games, I often have a cup of coffee and chat with my friends from the club. Now I don't need to have any medication for my blood pressure. In fact, it is lower and healthier than it was before.
