1. **Write/ talk about your classroom**

I am a student of mechanical engineering at Hanoi University of Industry. My classroom at university is the room where I usually study English. It is not very big, but really nice and convenient. The room is on the fifth floor of a high building in my university. In my classroom, there are about 30 desks and one teacher desk. We have a big white board on the wall. It has four parts, two of which can slide to the left or the right. The big modern TV is between the sliding parts of the board. We use it to show our lessons. There is a good projector too that we also use to present the lectures. What I like most in the room is the air-conditioner above the teacher desk. It makes our room cool and helps us feel more comfortable during hot days. My classroom is where I have meaningful English lessons every school day. We study English, practice speaking in English and have funny games together. I always feel comfortable when I have lessons in the room. I have a lot of happy time together with my classmates and my teacher. I like my classroom very much.

2. **Talk about your room**

I live in a nice house in a small village in my hometown. In my house I have my own room which is my bedroom. My room is not very big but really comfortable. It is between my parents' room and the bathroom on the second floor. There are not many things in my room. There is a bed in the corner of the room. I place my study table next to the bed. I have a very nice wardrobe where I put all of my clothes. There are lots of my family's photos on the wall, above the study table. I often do my homework in my room every evening. My room is also my favourite place to entertain myself after school. I like listening to music or playing computer games or surfing the internet in my room when I have free time. I like my room best because it is my private space where I can do anything I like.

My best friend is ….(name). He is 18 years old. He comes from …(province). He is a student and he studies mechanical engineering at Hanoi university of industry. I first met him on the first day at school. We study at the same class. He is tall and slim. He has a square face, a high nose and short black hair. He is a helpful person. He often helps other people. He is funny too because he always tells us funny stories and makes us laugh. He is my best friend because we have the same hobby. He likes playing football in his free time, so do I. We often play football together after school at my school stadium. He is really good at playing the guitar. He often plays the guitar and sings at the same time when he finishes doing his homework. I like him a lot and we will be friends of each other forever.

6. **Talk about a famous person**

The famous person that I really like is Son Tung MTP. He is 31 years old. He is from Thai Binh province. He is a singer, a composer and a music producer. He is popular not only among teenagers but also adults. He is well-known for many hit songs. People call him the prince of Vpop in Vietnam. He is very handsome with short black hair and bright eyes. He is friendly, funny and generous. He can sing and dance very well. In his free time, he loves playing sports and traveling with his family. He is my favourite singer because I feel really relaxed and happy when I listen to his songs. And I admire him a lot for his talent in music.

7. **Write/ talk about your daily routine**

Every morning I usually get up at 6 am. If I do not have to go to school, I get up late, usually at 7.30. In the morning, after getting up, I like doing some morning exercise for about 30 minutes, then brush my teeth, take a shower and get dressed. I never skip breakfast, because it's not good for my health. Therefore, I often have breakfast with bread and a cup of milk. I leave home at 7h30 and get on the bus to school. I arrive at school at 7.40 am. I study hard at school from 7.40 to 11.10 am. I go home and have lunch at 12 pm with my family at home. In the afternoon, I have no school, so I have much free time to do what I like. I often enjoy listening to music while surfing the internet or playing computer games in my bedroom. I usually spend an hour doing my homework. I play sports with my friends at our school stadium from 5 pm to 6 pm. My dinner is always ready at 7 pm. In the evening, after having dinner I watch TV with my family. I sometimes go out with my friends and get back home before 9 pm. I never go to bed late. It's because it is not a healthy living style, so I always go to bed at 11 pm.

8. **Write/ talk about your father's/mother's job**

My father's name is ….., that's …. (spell). My father is 45 years old and he looks very young and manly. He is two years older than my mother. He is a teacher. He has been working as a teacher for nearly twenty years. He teaches Maths at a high school in my hometown. It is a beautiful school which is not very far from my house, so he often goes to work by motorbike/bike. It takes him about ten minutes to drive there everyday. He works at school five days a week from Monday to Friday, and he has Saturday and Sunday off. He starts his work at 7.00 am and finish at 11 am. In the afternoon he sometime has classes from 2 pm to 4 pm. Every weekday he gives his students meaningful lectures. He plans his lessons every evening and mark his students' works. He loves his job very much. He feels really happy when he works with his students. It is not a well-paid job, but it is his favourite job.

9. **Write/ talk about your free time activities (*):**

In my free time, I have lots of favourite things to do and my favourite free time activities are playing football and listening to music. I like playing football much better than other sports. I often play football after school with my classmates at our university stadium. It is usually lots of fun to play football there. I like playing football because it helps me to keep fit and stay healthy. I also can

make friends with others and relieve my stress after studying hard at school. I like listening to music in my free time, too. I enjoy listening to Pop music the most. Listening to music while staying alone in the bedroom is really relaxing. I don't have a CD player, so I often listen to music online on my computer or on my smart phone. My favourite singer is Taylor Swift who is very beautiful and sings very well. Generally speaking, playing football and listening to music are both activities that I like doing much in my free time.

10. **Write/ talk about your favourite season (*)**

In the south of Vietnam where I live with my family now there are four different seasons in a year, including spring, summer, autumn and winter. Of these seasons I like summer best. Summer comes after spring and it is three months long, from April to June. In summer, the weather is really wonderful. It is usually sunny and hot. It sometimes rains heavily too. The average temperature in summer is from 28°C to 38°C. Summer is great time for a lot of interesting outdoor activities, especially water sports. In this season people often like going to the beach, enjoy windsurfing, swimming or fishing. For me, I prefer going for a walk or flying a kite with my family or my friends in the park every afternoon after school. I like summer much better than other seasons because in our country there is no school in summer and I can have a long holiday.

11. **Write/ talk about your favourite food and drinks**

The food and drink that I like most are spring rolls and coke. Spring roll is a Vietnamese traditional food. This food is so popular and Vietnamese people often have it for traditional family meals on special occasions like family reunion meals. On such occasions, I often help my mother fry spring rolls and I really enjoy this kind of food with my family. It is my mother who taught me to make spring rolls when I was fifteen. Now I study far from my family, and when I have free time at weekends I also make it by myself and enjoy it with my roommates. I like eating spring rolls because it is not too difficult to make and it is very delicious. **Spring roll will taste much better when I have it with coke.** I always drink coke whenever I eat spring rolls. I also drink it after playing sports. Whenever I hang out with my friends, I usually enjoy drinking coke. It is a great fun to drink coke while chatting with friends about everything at school. I prefer coke to other drinks because it is the best drink for any kind of fried food. It is not expensive and really tasty. After all, spring rolls and coke are my favourite food and drink.

<u>Talk about your favourite food</u>

My favourite food is sandwich. Though I like eating sandwich, I don't eat sandwich very often. I usually have sandwich for my breakfast in the morning every day. I like eating sandwich with cheese or beef with lots of vegetables. I often eat sandwich in a fast-food restaurant near my house. This restaurant serves really delicious sandwich. My brother also loves eating sandwich like me. Therefore, I usually eat sandwich with my brother. Sometimes, when I hang out with my friends, I also have sandwich with them in a fast-food restaurant. I can't make sandwich, but my mom can. Sometimes, she makes it for me at home. She is teaching me how to make sandwich and I hope I can make it one day. I love eating sandwich because it is delicious. And it is convenient for me to have sandwich for breakfast or lunch.

<u>Talk about your favourite drink</u>

My favourite drink is orange juice. I like drinking orange juice on hot days. I usually drink it after playing sports or when I feel stressed with my study, I want to relax by having a cup of orange juice. I often drink orange juice at home, but when I hang out with my friends at weekends. I also like drinking orange juice in a café or a restaurant. In my family, my mom and my dad also love drinking orange juice, so I really enjoy drinking it with them. It is very easy to make orange juice,
