Greenland

Complete the text using words:

sailed, green, island, lonely, day, home, cold, ago, sun

Greenland is a large ____. The weather is really ____ there. Even the "hottest" summer ____ in Greenland is like a cool winter day in England. In summer months the ____ never sets. The warmest part of the island is on the south coast and that is where most Greenlanders live. One of the most famous Greenlanders was Eric the Red. About 1000 years ____, he was sent away from his home in Iceland. He ____ away from his native small ice-covered island to a great big ice-covered island. This island had no name yet and no one lived there, so Eric made it his home. But soon he became bored and _____ so he had an idea. He called the island "Greenland" and told other people that it was lovely, warm and _____. People believed him and began to live there. A new island became there _____.

Choose the correct answer to the question.
