The smell of your skin _____ on me now.
You_____ probably on your flight back to your home _____.
I _____ some shelter of my own protection, baby,
To _____ with myself and center clarity, peace, serenity.

I _____ you _____, x2
That this _____ nothing to _____ with you.
It is personal: myself and I.
We_____ got some straightenin' out to do

And I'm _____ miss you like a child _____ their blanket,
But I've got to _____ a move on with my life.
It's_____ to be a big girl now.
And big girls _____ cry, x3.

The path that I_____ I _____ go alone.
I must _____ the baby steps 'til I'm full-grown.
Fairytales don't _____ have a happy ending, do they?
And I foresee the dark ahead if I stay?

CHORUS

Like the little school mate in the school yard
We'll _____ jacks and uno cards.
I _____ your best friend and you'll be my Valentine.
Yes, you _____ hold my hand if you _____ to
'Cause I want to _____ yours too.
We'll be playmates and lovers and _____ our secret worlds.

But it's time for me to _____ home.
It's _____ late and dark outside.
I need to be with myself and center clarity, peace, serenity.

CHORUS
