Mary Anning

Mary Anning lived in Lyme Regis, England, about 200 years ago. Her parents didn't have much money. Mary collected shells on the beach and people bought them from her. One day, she found fossils on the beach. She wrote about the fossils and dinosaurs in newspapers, and scientists visited Mary because they wanted to see the fossils. The fossils changed how people think about the history of animals. Mary Anning didn't study Science at university, but she learned a lot about dinosaurs. She is famous because she found those fossils.
