Die with a smile

By: Teacher Jocelyn Lojan

I, I just _____ ____ from a dream
Where you and I had to say goodbye
And I don't know what it all means
But since I survived, I realized
Wherever you go, that's where I'll follow
Nobody's promised _____
So I'ma love you every night like it's the last night
Like it's the last night
If the _____ was ending, I'd wanna be next to you
If the party was over and our time on Earth was through
I'd wanna hold you just for a while and die with a _____
If the world was ending, I'd wanna be next to you
Ooh
Ooh, lost, lost in the words that we scream
I don't even wanna do this _____
'Cause you already know what you mean to me
And our love's the only war worth fighting for
Wherever you go, that's where I'll follow
Nobody's promised tomorrow
So I'ma love you every night like it's the last _____
Like it's the last night
If the world was ending, I'd wanna be next to ____
If the party was over and our time on Earth was through
I'd wanna hold you just for a while and ____ with a smile
If the world was ending, I'd wanna be next to you
///Right next to you///
If the world was ending, I'd wanna be next to you
If the _____ was over and our time on Earth was through
I'd wanna hold you just for a while and die with a smile
//If the world was ending, I'd _____ be next to you//
