Come up to..... you, tell ya I'm sorry

You don't know how .....you are

I had to .....you, tell ya I need you

Tell you I set you apart

Tell me your .....and ask me your questions

Oh, let's go back to the start

Runnin' in....., comin' up tails

Heads on a science apart

Nobody said it was .....

It's such a shame for us to part

No one ever said it would be this hard

Oh, take me ..... to the start

I was just guessing at .....and figures

Pulling the puzzles apart

Questions of science, science and progress

Do not ..... as loud as my heart

But tell me you love me, come back and haunt me

Oh, and I rush to the start

Runnin' in ....., chasin' our tails

Coming back as we are

I'm going ..... to the start
