Conversation:
The messy room

Mom: Luke, this room is a mess! Just look at it!
There are clothes everywhere, and these socks.
Whew! You have to put them in the laundry.

Luke: I wore these socks only once, mom.

Mom: Yeah, you put them on, on Monday, and today
is Friday. This room smells like a zoo.
When was the last time you cleaned Willie's cage?

Luke: Last week. I don't have to do it everyday.
Ferrets are clean animals.

Mom: You have to clean up this room today.

Luke: Can I do it tomorrow, mom?

Mom: No, you can't. You have to do it today.

Luke: But, mom, I have football practice,
and after that, I have to . . .

Mom: Today, or you're grounded.

Luke: Mom, please.. . ?
