Cha-La Head Cha-La

Come slide down rainbows in the ___, let's fly away
Like a _____, you're free to see the boundless face of the earth
Let the wind blow you like a kite and glide away
Far beyond the clouds you'll find another place
If the road ahead you seems so cold and ____
When night never turns to day,
don't you be afraid go _____ away
Cha-la! head cha-la!
No time to hesitate, go on and search the earth
Within it lies a magic _____, oh!
Cha-la! head cha-la!
Be cool, don't be afraid, you've got the power
To get you through the darkest night
Cha-la!
Zooming round n' round the endless sky
Like a coaster
Hold on tight
Or you may find yourself trapped in a maze
When that happens, you may think
you won't ever find your way
As the paths that you may take all seem the same
If the road ahead you seems so cold and gray
When night never turns today
don't you be _____, go fly away
Cha-la! Head cha-la!
No time to _____, go on and search the earth
Within it lies a magic surprise, ooh!
Cha-la! head Cha-la!
Be cool, don't be afraid you've got the _____
To get you through the night, oh!
Cha-la! head cha-la!
No time to hesitate, go on and search the earth
Within it lies a magic surprise
Cha-la! head cha-la!
Be cool, don't be afraid you've got the power
To get you through the _____
Cha-la!
