4. Read the information about a group of students. Then circle true or false.

Hi, my name is James and these are my high school friends. We're going to do a science project together. We like science, but we're not that good at it. Betty is good at history. Pablo is good at biology. Carla is good at computer science and I'm good at literature. Our friend Nora is good at science. We're going to go to her house at three o'clock, so she can help us.

a. Betty isn't good at history.
true **false**

b. Pablo is good at biology.
true **false**
