In many countries, it is hot and sunny in summer. You can surf, hike, dive, or swim in the sea. But Ravi's favorite season isn't summer. His favorite season is winter!

"In summer it's hot and rainy. There are lots of storms, with thunder and lightning. It's very rainy, too, and there are floods. Floods damage houses and streets. We can't walk to school. We go to school by boat!

Winter in my country isn't rainy. The weather is cloudy and cold. I like it!"
