Part 1

Question 1

Where does the man think he last saw his keys?

Man: Hiya. I've just got into work and realised I don't have my house keys in my 1..... Could you have a look to see if you can find them? The last thing I remember is putting them on the 2..... when I was having breakfast, but I'm sure I picked them up. I sometimes leave them on the 3..... while I'm getting ready, or maybe they fell out of my pocket and they're on the 4..... Call me back if you find them.

Which of the following needs attention?

Man: Barbara, it's me, Charlie. I've just got back from work. I've noticed the 1..... in the 2..... has been broken. I think one of the 3..... came down from next door's tree during the 4..... and hit it. The 5..... is in front of the garden gate. I'll call someone to have a look at it tomorrow. See you when you get home from work.

Question 3

Boy: How's your new apartment?
Girl: Fine. I've got no complaints about my new 1..... – the one I had before was tiny. The view's not so good now, though. We're not so high up and you can only see it through the 2..... It was so nice to be able to sit outside with a drink and look down at what was going on in the 3..... below. There was no big fire in the 4..... at the old place, though, so where we are now is much warmer.

Woman: Yes, hello. I was in here the other week. You were showing me some of the 1..... you have.
Man: Yes, I remember. Have you chosen one you like?
Woman: I've changed my mind about that now. But I was looking at the 2..... over there. I'm wondering whether it would fit in my room. I have quite a large 3..... and I'm not sure there's enough space. Could you tell me how long it is?
Man: No problem, I'll measure it for you.

Woman: I know but I can't carry one of them back home on my own. Let's look for one at the weekend.

Man: OK. Hopefully the 4..... still works. Do you want a cup of tea?
