LOST FREQUENCIES LYRICS "Reality"

Decisions as I go, to anywhere I ___1___

Sometimes I ___2___, at times I'm rational

I can ___3___ high, I can go low

Today I got a million. Tomorrow, I don't ___4___

[x2]

Stop claiming what you ___5___ and think about the show

We're all ___6___ the same game, I'm laying down alone

We're unknown and wrong, special when I ___7___

Hate will make you cautious, love ___8___ make you glow

Make me feel the ___9___, make me feel the cold

It's ___10___ in our story, it's written on the walls

This is our call, we rise and we ___11___

Dancin' in the moonlight, don't we have it all?

Decisions as I go, to anywhere I ___12___

Sometimes I ___13___, at times I'm rational

I can ___14___ high, I can go low

Today I got a million. Tomorrow, I don't ___15___

Make me feel the ___16___, make me feel the cold

It's ___17___ in our story, it's written on the walls

This is our call, we rise and we ___18___

Dancin' in the moonlight, don't we have it all?
