THE LION'S PAW "A"

Many years ago, _____ Ancient Rome (in Italy) there were rich people and poor people. The rich people often had poor people as their slaves. Slaves were people who belonged to _____ rich people and worked very hard with no reward. Many slaves were treated very badly, without good food or comfortable places to live _____ sleep. It was against the law for slaves to be away from the rich people who owned them. Many slaves dreamed of better lives, away from the mean people they worked for.

This is a story about a slave named Androcles. Androcles _____ a Roman slave, and he worked hard. His Master was not a good man. He beat him. This made Androcles sad. Androcles had to run away. He did not want his bad Master to beat him. So, he _____ away fast and did not stop running for many hours. He felt so tired and wanted to rest and sleep. Then, he saw a big _____. Inside the cave, on its floor he saw were bones and hair . It was a lion's hair. The cave was a lion's den! A shadow fell across the floor. The lion was back!
