Rachel and Carl's weekend

Rachel
Last weekend I went to a village with my friends, but it was very boring. We stayed in a small hotel and there was nothing to do! I like shopping and restaurants, but there was only one café in the village.
The hotel was old, and my room was small. The bathroom was far from my room, too. On Saturday, we went for a walk and it rained.
On Sunday, we went to the village café, but I didn't like the food much. I don't want to go back to that café … or the village!

Carl
Last weekend was great! I went with my friends to a village, and we had a really good time. We stayed in a lovely little hotel. It was quiet and the owners were very friendly.
On Saturday, we went for a big walk. It rained, but we saw beautiful mountains, lakes and rivers.
On Sunday, we went to a café and talked to the local people. They were all very nice. I'd like to go back to the village. It's a lovely place.
