Protect the Sea

Listen to the song and complete the verses with the words in the box. Drag and drop them in the correct place.

Please, please protect the sea.

Do what's _____ for you and me

and help us save the sea.

We must protect the wonders of the sea

To make a better world for you and me.

We must stop polluting the _____ so blue.

An _____ would like that, and so would you.

CHORUS

We must protect the wonders of the sea

To make a better world for you and me.

Please, remember, don't throw _____ into the sea.

_____ wouldn't want that. Would we?

There are layers in the sea below.

There are creatures there that we don't know.

They live deep _____ . They don't breathe air,

But our world is part of theirs.
