V. Read the passage and answer the questions. (5 questions)

Clubs at school are very popular because they give students a chance to learn and enjoy new activities. Many students join the **drama club** to act in plays and perform on stage. Others sign up for the **arts and crafts club** to make things with paper, wood, or fabric. Students who love reading often join the **literature club**, where they share stories and discuss novels.

Sports clubs are also important. Some students join the **PE club** to play football, basketball, or to learn about healthy living. Others prefer outdoor activities, such as going for a walk or climbing a mountain. Science clubs are exciting, too. Students can learn about biology, chemistry, or physics and do experiments.

Joining a club is not only fun but also helps students make new friends and become more confident.

Questions:
26. What do students do in the drama club?
27. What can students make in the arts and crafts club?
28. Who usually joins the literature club?
29. What subjects can students learn in the science club?
30. Why are clubs important for students?
