Dear William,

I am having a lovely holiday at my Uncle George's house. This afternoon, he drove me and my cousin, Charlie, **...to...** West Lake. We did lots of exciting things there. First, we made a boat from old newspapers and sailed it down the stream. We were very lucky that it **(1)** quite windy today so the boat moved fast.

(2) that, we went fishing. Uncle George was very good

(3) fishing and he caught three very big fish. Then my cousin Charlie and I went to collect some wood to **(4)** fire.

We cooked fish on the fire and have a delicious lunch. We all **(5)**

a really wonderful time.

Please tell me about your holiday.

See you soon,

Dan
