MATCH EACH PICTURE WITH THE CORRECT COOKING STEP BELOW.

How to Make Sugar Cookies

use an electric mixer to mix them until smooth and fluffy.

Finally, serve the cookies warm and enjoy!

Place the balls on a cookie sheet and press them gently into flat discs.

Bake the cookies at 325°F for 15 minutes.

add sugar and butter into a large bowl.

Add sprinkles on top if you like.

add the flour and mix again until combined.

use your hands to roll small balls of dough
